Child safeguarding training in Trim on Monday at 7.30pm

Training sessions are taking place in the Diocese of Meath to update clergy, staff and volunteers as they begin to reactivate activities and gatherings following the pandemic. The session for Trim parish will be held this Monday at 7.30pm in the parish centre. The parents of children taking part in parish activities are also welcome to attend.

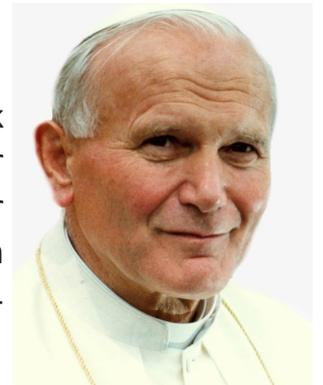

Are you interested in becoming Catholic?

RCIA is the Rite of Christian Initiation of Adults. It is a process used by parishes to welcome and prepare adults who are interested in becoming Catholic or exploring whether the Catholic faith is for them. It is a spiritual journey towards a deepening relationship with Jesus Christ. As aspirants move forward through prayer, reflection, Scripture, storytelling, questioning and works of charity, our parish will accompany them on their faith journey. Please feel welcome to invite someone you know to explore the process, as well as encouraging those who have already expressed interest in our Catholic faith to contact our local parish. For information, check out www.dioceseofmeath.ie/rcia

Celebrating young people in our parish

We really want to get more teenagers involved in parish activities. Work is beginning on setting up the Pope John Pail II awards programme for young parishioners aged 16 to 18 years in the parish, recognizing their role and contribution to the Church and local community. If you are in this age group and would like to be involved, please contact us at 94 31251.

Thanks to seminarian Anthony Kerr

Anthony has spent five weeks in our parish as part of his pastoral training. He returns to Rome next month to begin his third year in seminary. Over the past five weeks, Anthony has shown us his commitment to his faith and desire for ministry. We have appreciated his thoughtful and well delivered homilies and the schools, both primary and secondary, have enjoyed his visits. His assistance in the sacristy, parish office and nursing homes has given him a valuable insight to the daily life of a priest. It has been a pleasure to share in his seminary formation. Please continue to keep Anthony and all students for the priesthood in your prayers.

Friday: Feast of St Pio of Pietrelcina (Padre Pio)

Saint Pio of Pietrelcina, fondly known as 'Padre Pio' is perhaps the most famous saint known for bearing the stigmata (the Holy Wounds of Christ) for 50 years. He emphasised the importance of leading a holy life.

Padre Pio was known as the "Saint of the Confessional" and took confessions day and night, immediately catching hold of those that did not confess all their sins. He was divine in every way and admitted that it was none other than Our Blessed Mother, Our Lord Jesus Christ, and his two Guardian Angels— St. Joseph and St. Francis—who kept him in all his ways and helped him guide and heal those who directly asked for or sought his help.

But, above all, Padre Pio is remembered for an infallible devotion to the Eucharist, his constant praying of the Rosary, and for the countless miracles that he performed throughout his earthly life, and that have also been attributed to him since his death.
