St Brigid's Day

St Brigid is one of Ireland's most beloved saints. She was born around the year 450AD. Even as a small child, Brigid was generous and kind and loved to help others. Neighbours in her village noticed her helpfulness and kindness. As Brigid grew up, she felt a calling to do even more good in the world. She decided to dedicate her life to God and become a nun. She wanted to devote her life to prayer and helping others. Brigid created a monastery in Kildare. This was a special place where people could live together and pray. They helped care for the sick, they welcomed travellers, and looked after the poor. They taught people about God and shared their stories of compassion and love.

Confirmation

Congratulations to the children from Trim and Boardsmill who received the Sacrament of Confirmation on Friday. . Pastoral Area Update

(Trim, Dunderry, Enfield, Kilmessan & Summerhill)

Last Wednesday we had the first meeting with representatives of our new pastoral area. We looked at upcoming events in our parishes as well as sharing ideas and resources, for instance relating to Lent, First Confessions and Confirmation.

Summerhill Parish

A Parish Mission will take place on 1 – 3 February. This mission will be held in Dangan church and begins at 7.30pm each night. The themes are: Baptism (Sunday), Healing Hurts (Monday) and Reconciliation (Tuesday). Fr Laurence Gallagher, (Redemptorist Priest) will conduct the mission. All are welcome.

Enfield Parish

The Alpha programme begins this Thursday evening at 8pm for 11 weeks as an introduction to living the Christian faith in personal relationship with Jesus. A retreat day to mark the beginning of Lent will take place on Sunday 22 February. An event for teenagers in secondary school will be held on Thursday 19 March. For further information, call 046 9541282.

Update on St Loman's Cemetery

The parish cemetery is now full. This means that unfortunately we will not be able to accommodate burials for people who do not already have a grave in the cemetery. We will be able to provide burials for people who have existing graves in St Loman's. We are fortunate that the new County Council cemetery in Loganstown is open and available. In addition, we have a designated area in St Loman's for the burial of ashes so there is almost unlimited space for burials after cremations.
