Report on the Synod gatherings in the Diocese of Meath

The full report in the recent Synod meetings is now published at www.dioceseofmeath.ie. The following excerpts are taken from the conclusion of the report:

1. Our parishes are struggling and becoming stagnant as places of “communion, participation, and mission”. People are calling for a greater sense of communion, to be invited to participate more actively in the life of the parish, and for a more dynamic liturgical life that is faith-nourishing.
2. There is a call for a renewal of the leadership model in the Church. The investment of authority in the ordained ministry is seen as preventing initiative and impeding the faithful in assuming their responsibility for the Church.
3. Linked to the issue of leadership is a strong awareness of the lack of involvement of women, young people, and LGBTQ+ people in key areas of the life of the Church. This is experienced as exclusion by such people, and as contrary to the Gospel by those who love the Church.
4. There is a sorrowful and painful lament coming from parents and grandparents for the loss of faith among their children and grandchildren. The traditional cooperative faith transmission model of Parish-Home-School is no longer working. Responses indicated a need for faith development at parish level, and a new evangelisation that offers the Christian vision of the human person, leading to interior conversion and intentional discipleship.

Prayers for Leaving Cert Students

Two candles will be burning for you at 10am Mass every morning during your Leaving Certificate exams as a sign of the support you have from your parish and as a sign that God is with you through it all. Petitions are available in the church. You can write the names of students taking exams this month and they will be remembered at 10am Mass each morning.

A few places are remaining for the bus to Knock on Saturday, departing from Trim Church at 7.30am. To book a place, call 087 258 7639.

Cemetery Clean Up - All help is welcome

1. Please help to tidy up any plots or paths near your own family grave. The cemetery caretaker is out on sick leave at the moment so your help is much appreciated.

2. We will have a 'cemetery clean-up' evening on Tuesday 5 July at 7pm. Please note the date and tell your friends. A skip will be in place – all we need are helping hands.

Parish Cemetery - Summary Note

Due to the limited space, only single graves are now available. A single grave has capacity for three burials. An area will be made available in the cemetery for the interment of urns. Arrangements previously agreed remain unchanged. Encourage local representatives to make every effort to ensure that the new cemetery is up and running as soon as possible. The full policy statement was published in the newsletter on 29 May.
